## PRESS ACCREDITATION FORM

All reporting press and technical staff (cameraman/soundman) who wish to cover the conference must be accredited by Euroconsult.

To qualify for press accreditations at LATSAT, you must be affiliated with a business or professional trade publication or media and hold an editorial title.

All accredited media will receive a confirmation with further information on the summit. We will do our best to accommodate accreditation requests, however, we can make no guarantees.

As a registered member of the press at LATSAT, you will have access to all conference sessions as well as lunches and cocktail receptions held from June 4 to 5. You will be provided with detailed information on the summit at the dedicated press registration desk.
